EDUCATION

Bachelor of Technology -Information Technology	2023 – 2027
INDIRA GANDHI DELHI TECHNICAL UNIVERSITY FOR WOMEN	7.08
SENIOR SECONDARY	2022
Sarvodaya Kanya Vidyalya	74%
SECONDARY	2020
sarvodaya Kanya Vidyalya	81.6%

PROJECTS

Language Translator [↗](#)

- Built a responsive language translation web app using the Google Translate endpoint (no API key) with auto-detect, language swap, and support for multiple language pairs.
- Added **Glossary (Brand Terms)** to enforce consistent translations for product/legal terms (saved with LocalStorage for persistence).
- Implemented translation **history** with quick “use again” functionality, plus copy-to-clipboard and download translated output as a .txt file.

TrustHire – AI-Based Job Offer Verification Platform

- Built an AI-powered platform to analyze job offers and detect scam probability in real time
- Integrated NLP model (Hugging Face – BART) for contextual scam detection
- Implemented red-flag pattern analysis to detect suspicious language (payment requests, urgency tactics, fake domains)
- Developed frontend using React.js and backend using Node.js & Express
- Used Supabase for secure authentication and data storage

TECHNICAL SKILLS

- **Languages** - Java, Python , SQL
- **Web Development** - HTML , CSS , Java Script , Bootstrap, Wordpress, React.js ,
- **Cs fundamentals** - OOPS, DBMS, DSA , Operating System
- **Ai/ML** - Generative AI , Machine Learning
- **Soft Skills** - Problem Solving , Event Management , Team Collaboration
- **Developer Tools:** VS Code, Google Colab, GitHub

ACHIEVEMENTS & COMPETITIONS

Katalyst India Scholar

First Prize - Tech Quiz , TechFest'24(katalyst India)

Second Prize – Mini Engineering Project, TechFest'26 (Katalyst India)

Participant, Ideathon Gen Tech | JP Morgan Chase [↗](#)

Diploma in Website Engineering

ATF 2024: Stage 2 Candidate from AlgoUniversity [↗](#)

ROLES AND RESPONSIBILITIES

Control and Sustainable Development (CSD) Member

Contribute to the strategic planning and execution of sustainable initiatives Maintain records related to sustainability initiatives and report on the impact of projects and events from an environmental perspective.
